

Submitter: Jason Asbill

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3248

I own a Wilderness Adventures business where give offroad guided trips on side by sides. This would incredibly help out fpr transportation between my store front and my 440 acres of private property where I preform these offroad trips. I'm also developing it as a offroad park. If this passes it would gain more parking for my events I'm holding
