On Behalf Of:

Committee: Joint Committee On Transportation

Measure: HB3248

I have been an Oregon Resident for 61 years and fully support this bill. Other states like Montana, Wyoming, Montana to name a few, that have been very successful with allowing UTV, ATV's on public roads. 99% of Oregon is not populated like Portland and Salem, we are a RURAL state. It would be beneficial to be able to use our utility vehicles all year for not just recreation but for work purposes. Irrigation, farming use these vehicles as daily modes of transportation, remember we are mostly a rural state, farming, ranching, utilities all use these vehicles.
