Co-Chairs Gorseck and McLain, Vice Chairs Boquist and Boshart Davis, Members of the Committee,

Please add my testimony to the record in support of House Bill 3248 which would Class I, Class III and Class IV all-terrain vehicles on highways that are not interstate highways. I live in the rural part of Grants Pass and have to trailer my UTV to all of the areas I like to ride and explore here. It would save a lot of time and energy not having to load and unload the UTV. I also believe Oregon would benefit from the revenue generated by DMV fees collected from ATV/UTV registration fees. Thanks for your consideration David Milam.
