

Submitter: Hillary Tiefer
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3213

Dear Committee,

Please be humane and end animal suffering by supporting HB 3213. It is shameful to allow animals such as rabbits, mice, and guinea pigs to suffer for people's vanity! I care about my appearance and wear make-up with products that do not test on animals. There is no need for cosmetic products to be tested on animals. It is inexcusable that these animals should be confined to cages, inflicted with test after test, and to suffer pain day after day. Other states have already banned animal testing for cosmetics. Oregon should do the same. I want to believe I live in a humane state.

Sincerely,
Hillary Tiefer
