

Submitter: Todd Vaughn

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2004

No "ranked-choice voting"! I watched the way this process was used in Alaska to USURP the true will of the people and came to the conclusion that, other than that, it has no value whatsoever. It results in winners that "evolve" through process, not majority choice. Candidates that would have won in a traditional election... (like Kelly Tshibaka )... are defeated because of process. This process is absolutely unacceptable.
