

Submitter: Amy Herd
On Behalf Of:
Committee: House Committee On Rules
Measure: HB3509

I oppose HB 3509 as we've seen the chaos this kind of voting system created in Alaska during the midterms. The system is at the mercy of computers, and cannot be audited to fix errors. Please let this bill die in committee! Let's please go back to voting in person. It's the only fair and true way of voting.
