

Submitter: Donna Bleiler

On Behalf Of:

Committee: Senate Committee On Labor and Business

Measure: SB907

I OPPOSE SB 907

You have to ask what prompted this. Is the employer a cartel? Where is the arrest and conviction of an employer that is in illegal activities?

There is already a government agency dedicated to this cause, it is called OROSHA and most legal employers already live in fear of it. Overlay this additional regulation over the OSHA rules is double duty that taxpayers don't need to fund.
