Measure: HB2004

I do not support HB2004 or the upcoming bill SB506. No Ranked-Choice Voting System in Oregon! This bill eliminates the importance of my vote by authorizing cities, counties, metropolitan service districts and local government and local service districts to elect to use ranked-choice voting to nominate or elect candidates for relevant offices. It will not improve the election process. If Democrats are scared of losing future elections, then do a better job of representing the people in your districts so they want to vote for you. Isn't it enough that half the state wants to become part of Idaho! Quit alienating everyone that doesn't live in Portland and Eugene.
