Measure: SB923

What is the emergency listed at the bottom of bill? What emergency? There is no emergency! How can an emergency be declared 4 months from now?

This bill will limit school choice for students! How about we start giving Oregon kids a better education? Just a thought. I believe that we are one of the lowest states in the nation. Beaverton School District is still not giving F's at the high school level. What are we TEACHING kids?? This is ridiculous! So glad my kids are grown and moved out of state!
