

Submitter: PHUNG NGUYEN

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2665

I oppose the rate caps to ensure facilities have the right, when needed, to invoke crisis pay for times of crisis!

We can't afford to lose critical labor right now in an already short staffed landscape.

Wages are not controlled in other positions, why would be in nursing?

You should speak to the nursing careers in Oregon, the short staffing impacts on patient care.
