Committee: House Committee On Rules

Measure: HB2004

My name is Rob Leslie, and I live in Newberg, Oregon. I support HB 2004 and ranked-choice voting in Oregon for two reasons. First, I don't want to "throw my vote away" if I choose to vote for a third-party candidate. Second, I want our system to stop rewarding the most extreme candidates by forcing them to consider how they can appeal to more Oregonians than just the slimmest majority necessary to win an election.
