

Submitter: Brandon Rankin

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2004

I believe ranked choice voting is the way of the future. It will give the people of this state more say in what they want, it will let us break up the two party system, and it will allow the people's voices to be truly heard. No longer will we have to choose between the greater of two evils. Ranked choice is the only way through the current quagmire of partisan politics and I wholeheartedly support it.
