

Submitter: Deborah Knapp

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB864

Dear Members of the Committee; Good Samaritan laws are a need in our state, especially with the recent growth of wildfire dangers in Oregon. It looks like this bill extends liability protections to volunteer firefighters who help in good faith to put out fires that are devastating private lands. I support this bill for the civil liability protection of volunteer firefighters who give of their time and resources to help others in dangerous wildfire situations. Please vote yes on this bill. Thank you.
