Measure: HB2004

I AM ABSOLUTELY OPPOSED TO SB 2004!!

As a lifelong Oregonian, not only am I opposed to, but I am extremely disgusted by this bill and by what has happened to the election system in our state over the past 25 years.

Ranked Choice Voting is a system which allows a loser to be claimed a winner. It complicates and obfuscates true voting results making any attempt at auditing virtually impossible. Why on earth would anyone want such a system, and why are you attempting to install this system in Oregon by fiat??

We keep hearing that our elections are "safe and secure". Oh really??

- No chain of custody
- No voter ID
- Ballots mailed to non-existent people and addresses
- Hackable voting machines
- No cleaning of voter rolls
- Non-citizens voting
- Early voting
- 7-day extension to vote
- Out of county voters
- Out of state voters
- No actual observation of elections
- No true audits
- Bogus signature verification
- Attempting to pass legislation allowing 16-year olds to vote
- Attempting to pass legislation allowing prisoners to vote
- Attempting to pass legislation to install Ranked Choice Voting

One might think that some legislators are afraid they may not win in a fair election! STOP THE CHEATING and work on legislation to clean up the very compromised and corrupt election system we have in this state!!
