

Submitter: Lucy Urness  
On Behalf Of: Lourdes public Charter School  
Committee: Senate Committee On Natural Resources  
Measure: SB85

My name is Lucy Urness. I am 8 years old. I live in Scio and go to Lourdes Public Charter School. I love my school. I don't want Evergreen Ranch Chicken farm right next to our school. It would make it hard to learn. I also swim in Thomas Creek in the summer at broken dam also next to the chicken farm. They should not be allowed to ruin our school and swimming places.

Thank you. Lucy Urness.
