

Submitter: Lisa Carb
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB3214

I support the bill to oppose the cruel act of exploiting and using all animals and some animals in shows, circuses, traveling acts and any other form for entertainment. These acts are unnaturally, often harmful and cruel. It is not in the animals best interest to be forced to learn, travel and perform, typically trained by cruel means.
Thank you
