

Submitter: timothy Ohanlon

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3214

This bill if passed would cause great harm and would likely cause the end of a 112 year tradition-The Westward Ho! Parade held during the Pendleton Round-Up. As Parades Director, I know personally many of the teamsters that provide horses for the parade. They take great care with their animals. To not allow future generations to see the animals in the parade would be a shame.
