

Submitter: Lisa Shepard  
On Behalf Of:  
Committee: House Committee On Judiciary  
Measure: HB3214

Activity that involves the torture and captivity of animals for the purpose of human entertainment must be prohibited in an advanced and civilized society. Human beings have one charge in life which is to care for and make the world a better place. There is no place in today's world for archaic traveling animal acts which are inherently defined by the capture and abuse of animals.
