

Submitter: Marvin Schaber

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On Education

Measure: HB5014

We need to feed are kids better foods from the farmers of Oregon is the best way. The school does not fix food like they use to. It come all ready made not as good for kids. We you to get home made stuff. Please let get back to the good old days and do are kids better. Thank you so much
