I STRONGLY OPPOSE HB 2007

“Gun Free Zones” don’t work! It simply gives more buildings for criminal intent, where a person is “not allowed” to carry, more people are going to be put in a dangerous situation. Police aren't sufficiently funded and can't even respond to some situations. This infringes upon the Second Amendment Rights of a free people causing a major open invitation to anyone who would choose to create massive chaos.

If enough buildings adopt this policy, it effectively eliminate carry, which is unconstitutional.
