I strongly oppose this bill. HB 2006

This bill prohibits person under 21 years of age from possessing firearms with specified exceptions. Has harsh punishment and fines.

There needs to be a consistent age set as to what is the age of an adult. How old do they need to be to go into the military? How old do they need to be to vote??

Better use of the taxpayers money would be to offer training for responsible gun ownership. Many of us learned about gun ownership with after school programs or from our parents. The local Police offered a class after school at my grade school in the 60's. This worked for us.
