

Submitter: Richard Kramer  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB2004

Dear committee members,

Please don't introduce a ranked-choice voting system in Oregon. It is all to clear that Alaska and Maine have dysfunctional voting system because of ranked choice. Oregon has enough problem so why add more? Please do not support HB2004 or the upcoming bill SB506.

Thank you,  
Richard Kramer
