

Submitter: Derek Becker
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

Members of the Committee,

I oppose HB 2007. The reason is extraordinarily simple. Concealed Handgun License holders commit crimes at a rate many times lower than even police officers. Simply stated CHL holders do not commit crimes so why do you want to make them criminals if they so much as stand in the wrong place. This bill is a farce and we, the people, are tired of the constant attacks on law abiding citizens and legal residents.

Vote NO on HB 2007
