Committee: House Committee On Judiciary

Measure: HB2006

Why - why do you continue to attack the 2nd Amendment. If an 18-20 yr old is old enough to vote, drive, go to war and make life decisions, then what motivates you to take away a constitutional right? You should spend more time on the homeless, drugs (which is made far worse when we decided to decriminalize illicit drugs) and making Oregon more attractive to move to, instead of seeing net population decreases. Make Portland feel safe, make Portland and Oregon beautiful again. You do NOT represent the will of native Oregonians - who want to be left alone, to enjoy the pursuit, of life, liberty and happiness and less governmental influence
