

Submitter: Shane Gomes

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB3214

HB 3214 is poorly written and have a negative impact on the agricultural industry county fairs, 4-H and FFA. Make it harder on livestock industry and it costs more to produce food for America and the rest of the world. With this bill it would increase the price of food in the marketplace and that is passed down to the consumer. Cost of living is already going through the roof. Please put this bill to bed and move forward.

Strongly oppose 3214.

Thanks for your time.
