

Submitter: annie capestany

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3462

Oregon is overdue for a significant earthquake, which will, unfortunately, put our forest fires and climate emergencies to shame. We need to have a good system set up to house the people who need it, especially those who get overlooked by FEMA. FEMA helps homeowners, not renters. Plus, we know there is systemic racism at FEMA, which is no good for Oregon communities of color.

Please vote yes on HB 3462
