Measure: SB5509

I'm writing in support of SB 5509 that will fund OFW for a wildlife and human coexistent program. Such a program is necessary in Oregon due to the incursion of our buildings and impact on wildlife habitat and conflicts with wildlife. As a part time Wasco County resident I've personally experienced those conflicts. Increased public education included in SB 5509 is necessary in our community to avoid these unfortunate conflicts that frequently result in the death of wildlife.
