

Submitter: Greg Jacob
On Behalf Of: 1331 NE Parkside Dr
Committee: Senate Committee On Housing and Development
Measure: SB1051

SB 1051 creates an opportunity for more urban sprawl, up to 200 acres. Instead concentrate on affordable housing within the UGB. Successful urban reserve planning has been occurring with thoughtful community-wide processes, and SB 1051 undercuts the recently passed HB 2001.
