

Submitter: Wayne and Ruth Osborn  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure: SB611

We support the provisions of SB 6111 which will help all low income renters. As retirees living here in Eugene, our fixed income is too low to afford to afford the exorbitant rent increases enacted this year. By enacting a more modest rent increase ceiling, it would benefit seniors and help the homeless find affordable housing.

Sincerely,

Wayne and Ruth Osborn
