

Submitter: Rose Kaler

On Behalf Of: myself

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure: SB853

I fully support SB 853

It should not be the tax payers burden to pay for those that work remotely from another state. Not even sure how that works, surely if they decided to live elsewhere they can pay their own way to and from work. Better yet, they should be required to live in Oregon and PAY state taxes like the rest of us.

Please support this bill, HB 853
