On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2007

Citizens of Oregon should not have to fear going about their business in public buildings. Public employees should not have to fear doing their jobs. Unfortunately, restraint and civility are less common than ever. Frustration and disagreement can quickly turn heated and ugly. Please, let's not add guns to this toxic mix. I urge you to support HB 2007 so we can all feel safer in public spaces. Thank you.
