

Submitter: Efrosinia Martushev

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

I strongly disapprove of this bill. Our children are too young and their brain cannot comprehend how this life changing transformation can affect their life forever. Doctors, teachers or any one other than the legal guardian should not be allowed to make decisions for our kids that will affect them for the rest of their life. I beg you to please do not pass this bill
