On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

March 19, 2023

Chair Nosse, Vice-Chairs Goodwin and Nelson, and Members of the Committee

I wish to express strong support for House Bill 2002. Every individual has a fundamental right to make decisions about their reproductive health, including the right to use or refuse contraception, to continue a pregnancy, to give birth or to terminate the individual's pregnancy.
