Measure: HB2002

I STRONGLY oppose this bill! Minors are not mature enough at the age of 16 to make a lifelong decision! This will affect them both physically and emotionally. Why would parents not be notified of this happening? Aren't they responsible for their kids until the age of 18? . Finally, this bill uses taxpayer money to make abortion drugs available at college campuses which many in our state do not wish their tax dollars to be used for. This bill is evil down to its core. Please vote AGAINST this bill.
