On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Firearms should not be sold to those under 21 years of age. As a survivor of gun suicide for my brother and an Oregonian, I believe we need to act to keep people safe by allowing brain development to continue until 21 and to make it clear that safe storage is part of the implementation of this bill. Please vote for raising the purchase age of firearms as provided in this legislative bill.
