

Submitter: Clare Lanusse
On Behalf Of:
Committee: Senate Committee On Education
Measure: SB596

Dear Chair Dembrow, Vice-Chair Weber, and members of the Senate Education Committee,

My name is Clare Lanusse, and for the sake of transparency, I am a Legislative Assistant for Senator Dembrow. However, my written testimony is from my own lived experience as a parent to three Oregon students in grades 4, 8 and 11, and is not a reflection of my employer or employment.

I am writing in support of SB 596. Oregon needs to improve its services and offerings to Talented and Gifted (TAG) students, and SB 596 adds much needed transparency and accountability around TAG identification and the effectiveness of provided services so we can do better as a state.

Please vote yes on SB 596.
