

Submitter: Jennifer Gingerich

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

Thank you to all who are sponsoring this very important bill. As a person of conscience and a follower of the life and teachings of Jesus, I am in support of HB 2002. This is a bill that helps protect some of the most vulnerable and oppressed among us. This legislation is fundamentally needed for all humans to be able to take care of our bodies and health.

Respectfully submitted,
