RE: Support HB 2002

Chair Nosse, Vice-Chairs Goodwin and Nelson, Members of the Committee:

My name is Dr. K Hixson, Licensed Professional Counselor, and I am writing to express support for House Bill 2002, Reproductive Health and Access to Care, which will help create a future in which everyone in Oregon has the ability to make decisions about their own bodies and access the full range of reproductive, sexual, and gender affirming health care. Please pass this bill to ensure that reproductive choice and access to gender affirming care are a priority for all Oregonians.

Thank you.
