Co-Chairs Senator Frederick and Representative McLain and members of the Committee

I am writing on behalf of Rogue Valley Farm to School in support of the Farm to School Grant Program in the Oregon Department of Education's budget. This Grant program provides critical funding for schools and early childhood education programs to purchase Oregon foods, hands-on farm and garden education programs, equipment and infrastructure for food producers and technical assistance for the farm to school community. Sustaining the current level of \$10.2 million dollars will support dependable business relationships between schools and food producers and maintain consistent educational programs that connect students to agriculture and nutrition

As a farm to school educator,

I support this grant program because....

It builds skills for wellness and health in kids and communities

It builds a strong local food system and supports our local economy

Supports schools as hubs for communities especially during times of crisis such as wildfires and pandemic

I ask that you support including this grant program in the Oregon Department of Education's budget at the current level of \$10.2 million so this program can continue to support healthy kids, schools and communities. Thank you for your time.
