

Submitter: Michael Rogers

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1082

I was incarcerated and when I got out I went through an apprenticeship! I was tough but I did it but could have definitely used some help ,any kind of help ,housing ,food education ,anything would've been helpful!! I've stayed out because of determination but coulda been further faster if some help from people like Gunner! Thank you for listening and helping other life a productive life back in society!!
