

Submitter: Linda Cox

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB1051

Please pass SB1051. As you know, there is a crucial shortage of affordable housing. It is a situation of SUPPY and DEMAND.

The demand for housing is HUGE and the supply is MINIMAL. This bill would open the door to create more housing.

Please consider fast tracking this bill to a positive conclusion. I want my children and grandchildren to have the same opportunity I had when I entered to home ownership market. I want them to have multiple choices of starter homes they can afford.

Thank you.
