

Submitter: Laurie Tripi

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I am writing to support HB2005. The idea that these ghost guns are undetectable and end up in the hands of people who are not allowed to own a gun (those with a criminal record, history of violence or mentally ill) is absolutely frightening to me. I urge you to vote "yes" on this bill, as this will be a start to curbing the growing gun violence in this country.
