Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

Chair Nosse, Vice-Chairs Goodwin and Nelson,
I support HB 2002.

I am glad to be in Oregon where women are able to make reproductive care choices that are best for our bodies, our health and well-being, our families, and our situation in life. HB 2002 affirms and expands this right to choose.

I also appreciate the protection that HB 2002 extends to gender affirming care.

I urge you to support HB 2002 to ensure that Oregon remains a welcoming and inclusive state.

Thank you for the opportunity to comment.
