

Submitter: Barbara Reuter

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

We must act now to raise the age of persons allowed to purchase semiautomatic assault rifles from age 18 to age 21. Research shows those under age 21 are 3x more likely to commit homicides than those 21 or older. Please pass HB 2006 if you wish to save multiple lives!
