

Submitter: Hionia Ivanov

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2002

My testimony

Please vote no on HB 2002.

It's completely removing the parent who is the life guide for their child out of the equation. It is the parents GOD given right to choose how to parent their children.

Not the states right. Pls vote NO!!

Thank you.

GOD BLESS.
