On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB2007

AS a conceal carry license holder until you can tell me in these soft target places I will not be a victim, thank you but NO THANK YOU! I carry to defend myself. I was a victim once I will never again be. You have no right to infringe on where I carry to protect myself and others. READ THE US CONSTITUTION, the Oregon Constitution and the Federalist papers. I urge a NO VOTE!
