

Submitter: Jann Purdy

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2005

I believe that we need to address the problem of mass shootings and the ease of obtaining a gun. All people should go through a background check before purchasing or possessing a gun, and ghost guns circumvent this proven safety precaution.

Ghost guns are showing up more and more in criminal activity - we must restrict their availability and use.

Statistics show that more gun laws mean fewer gun deaths. These laws work.
