

Submitter: Jann Purdy

On Behalf Of:

Committee: House Committee On Judiciary

Measure: HB2006

Given what we know about adolescent--> adult brain development, there is no reason for a young person under 21 to purchase or possess a weapon of war.

Several recent mass shootings (Bend Safeway, Parkland, Uvalde) were perpetrated by young men younger than 21.

We know that more gun laws mean fewer gun deaths. These laws work.
