SUPPORT for HB 2007

Chair Kropf, Vice-Chair Anderson, Vice-Chair Wallan, and Members of the
Committee,

My name is Hilary Uhlig, I am a resident of Hillsboro, a parent, a former teacher, and
the volunteer Oregon Chapter Leader for Moms Demand Action for Gun Sense in
America.

I urge you to support HB 2007 to allow local governments the option to set policy to
prohibit firearms in public buildings and grounds.

We know that more guns in public places do not make us safer. If they did, the US
would not have a gun homicide rate 25 times higher than our peer nations. Allowing
city and county governments to set policy to prohibit guns in public buildings and
adjacent grounds is a common sense measure to keep guns away from sensitive
places like courthouses and city council chambers to protect our democratic and
judicial processes from armed intimidation and violence.

Please support HB 2007
Thank you.
