

Allow local governments to regulate firearms in sensitive areas (HB 2007 / SB 686, Rep. Reynolds, Sen. Manning Jr.).

Under current law, people with concealed carry licensed are allowed to carry firearms in public buildings where guns are otherwise prohibited.

HB 2007/SB 686 which would give local governments the authority to make the public safety decision to prohibit all guns on municipal property if they so choose.

Lawmakers should support HB 2007
